LIFE

The logo for Worldwave International features the word "Worldwave" in a blue, sans-serif font. The letter "o" is replaced by a stylized globe showing the Americas. A blue wave graphic flows under the "World" and "wave" parts. Below "Worldwave" is the word "International" in a smaller, grey, spaced-out font.

The background features a close-up of a marble surface with warm, golden-brown and beige tones and intricate veining. A sharp, diagonal white line cuts across the image from the top right towards the bottom left, creating a dynamic composition. The text is overlaid on this background.
